RESPONSE TO OFFICE ACTION

Responsive to the Office Action mailed May 23, 2002,  
entry of the following amendments and consideration of the  
following remarks is respectfully requested.

AMENDMENTS

In the specification:

Please replace the second full paragraph on page 77  
with the following paragraph:

B | A chimeric peptide of the invention is selectively  
delivered to the prostate due to the selective homing activity of  
the prostate-homing peptide portion. A variety of  
prostate-homing peptides are useful in the invention, including
